

SAME PLACES, NEW ADVENTURE

ARGENTINA - CHILE

INSURANCE CONDITIONS: NOTICE

We remind you that the company **DAHER – department LEMOINE PERIGON** has subscribed an insurance policy covering the transport of merchandise according to the valued packing lists communicated.

Within the framework of our duty for information and advice, we hereby communicate to you the particular provisions as well as an example of general conditions applied for your guarantees.

A detailed inventory of the merchandise with figures should be communicated before the transport operations begin.

TERRITORIALITY

The merchandise is covered and guaranteed from its departure from Roissy, France to Antofagasta (Chile) and its return with a stop in Fiambala. The countries crossed, excluding the EU, are Argentina and Chile until Antofagasta.

METHOD OF TRANSPORT

Transport by land and sea.

One part is carried out by sea from a European port to Buenos Aires. Transportation from Roissy – port and Buenos Aires – Antofagasta shall be carried out by land.

PACKAGING

Merchandise travelling in containers.

FULL GUARANTEES

The full maximum guarantee by shipment is 700 000 euros.

DURATION OF RISKS

Whatever the method of transport used, the **coverage**:

- starts when the merchandise leaves the loader's warehouse in Roissy (France).
- continues without interruption for the duration of the insured journey, including during intermediary stays in the normal course of transport,
- and ceases when the merchandise is unloaded from the last public means of transport to the receiver's warehouses in Roissy (France).

INSURANCE VALUE

Value declared during your inventory.

INSURANCE CONDITIONS

WITH ORDINARY TRANSPORT RISKS

- **Conditions:** French marine cargo insurance policy. "All risks" cover (statement of 30.06.83, revised on 16.02.90 and 22.10.98).

Particular exclusions:

- Rust and/or oxidation and/or scrapes and scratches and/or grazes and/or dents,
- The functional breakage of the insured merchandise as well as the disorder or disturbance of any merchandise carrying one or more mechanical, electro-mechanical or electronic devices not resulting from a transport-related event,
- The damage suffered by any kind of electric or electronic equipment, due either to electric phenomena, or to a fire or exposure occurring within these objects,
- The loss of data recorded on magnetic supports,
- Partial theft, unless it is characterised by violence or aggression,
- An unexplained disappearance or difference from inventory,
- We remind you that your merchandise is not covered for risks of war or similar.

PAYMENT OF CLAIMS

For events occurring during transport operations, the damages will be reimbursed on the basis of the insured value without application of the excess.
