### TRANSPORT BY ROAD:

**4.50 US DOLLARS / KG**

This price includes the transport from Buenos Aires to Valparaiso and back.

You may be charged for your shipment for its volume weight rather than its actual weight. Use the greater of these two weights to determine the shipping cost. The volume weight is determined by using the following formula : length width x Height x 333 (1m<sup>3</sup> = 333 kg)  
Example : 1 case – Gross Weight : 25 kg – Volume weight : dimensions 0.60 x 0.40 x 0.80 = 0.192 m<sup>3</sup> x 333 = 64 kg.  
The shipping cost will be made on 64 kg
