

## The Live and non stop results on your mobile phone

To allow you to have a better follow-up of the race, A.S.O. created you the official SMS Dakar info service.

Any addressee (s) can receive information about you (or another competitor), in real time on their mobile phone (GSM, Iridium or Thuraya) and by email.

The appointed addressees (sponsors, family, friend or others) will receive:

- All **passage times** from the bivouac departure until the arrival of each stage, as well as the time difference with the fastest in its category,
- **Daily Results** of the "time segments" of the competitors with the names of the competitors just before and after him, and time between them,
- **General classification of the competitors**,
- The **departure time** of the following day,

An average of 15 SMS per day for each competitor.

### Basic Pack: 150€ including VAT

A competitor for one destination = 1 GSM number (or Iridium or Thuraya)  
+ an email address

### Adding a destination: 40€ including VAT

An additional destination = 1 GSM number (or Iridium or Thuraya)  
+ an email address

For the Teams, it is possible to follow several competitors.

In that case the following reduction applies:

- 10 % discount starting from 5 competitors
- 15 % discount starting from 10 competitors
- 20% discount starting from 15 competitors

We only apply the discount on the first destination, the following will be 40€.

### It's very simple to register:

Fill in capital letters the form on the back of this leaflet.  
Fax it +33 (0)1 43 86 19 17 or return by mail
